

# OTHER SIDE OF THE MOUNTAIN GANG

364-1373

January 1993

We started the New Year in great style.....106 people signed in!!!!

Al Barnes and "Fast Eddie" Villano got the free lunch tickets.

We had three first-timers, Marie Knuter, Ed McClanahan and Herman Newquist. Welcome and come again.

Birthdays were Marie Boyle, Jan Axton, Jim Higbee, Ralph Bernhardt, Herman Newquist and Jack Bruce. Bob Talbot with his flair for show-biz led the Birthday song.

Sick Call ; Arlis Guinn had surgery at Prter Hosp..now home again.  
Marion Dix passed away on 5 January.

Bob Cherry talked to us about what needs to be done on arrangements and all the preparations needed by our next of kin. He has taken on a vital job...an instruction booklet for our spouses. Hopefully we will have copies in Feb or as soon afterwards as possible.

Jack Wilhite will be at our next meeting...he has an award to present to someone. that,s all the info he would give me.

The new 140th TAC Hospital will be dedicated in March or April. More info later.

Ed O'Connor's son, Christopher has just returned from duty in Somalia.

Sincere thanks go to the 29 people who responded this month with checks for our postage money. This newsletter could not happen without the support you all give me. For those who contribute faithfully to the poor basket, you can rest a bit until we need more postage, envelopes, labels or name tag materials again.

Our next meeting will be 2 Feb, same time, same place and maybe even more new faces.

# OTHER SIDE OF THE MOUNTAIN GANG

364-1373

February 1993

The February meeting had 96 people sign in. I can't tell you how important it is that everyone sign in. Some of the folks that live out of town look forward to reading that sign in sheet. It is a way to keep in touch and to remember.

First-timers were; Bob Flick, Clarence Myers, George Groshart, and Russ Henderson. This too is an important part of our meeting and this newsletter. The four first-timers this month gave me a lot of personal pleasure in getting reacquanted. They are good people and it has been a long time.

The ones to get the free lunch were Roland Vencil and Remedia Martin.

Birthdays this month were Nancy Koplinski, our cook, Paul Moya, Sue Andrews, Marcel Dube, Bob Flick and two 29 Feb birthdays, Jim Henson and Jan, our club manager. Duane Schultz was our fearless song leader.

Sick Call- Karl Lawrence was in Fitz for an extended stay and is now home again. Marie Boyle fell and tore muscles in her left leg...did it at Fitz so she recovered at home.

Jack Wilhite presented Tom Linam a long time service award form the Colorado National Guard Ass.

Wayne Davis reminded us of the Guard Assoc. Annual Conference to be held in May---on the first. A retire lunch will be held on Sat. and all retirees are invited to attend. For more info call wayne at 688 360-.

The most important thing this month is "Honey Let's Have a Talk." Col Bob Cherry made up this valuable booklet where you can record all your important papers---Will, Discharge, Deeds, Titles, DD214 etc. Go through this carefully with your spouse so she may have all the necessary papers when she needs them. Those of you who do not have your copy please send me a self addressed legal sized envelope with 2 each .29 stamps, and we will mail your copy to you.

We all owe Bob Cherry a big thank you for this booklet. This gives phone numbers, departments to call etc. that helps your spouse at such a trying time.

We had six letters with donations for the postage fund, thank you one and all.

The next meeting will be 2 March, same time, same place, See Ya all.

## OTHER SIDE OF THE MOUNTAIN GANG

384-1373

March 1993

We had 80 people present for the March luncheon.

There were no first-timers, very unusual. The free lunch went to Glen Keltch and Don (Furman) McClain. Lucky people.

The Birthdays for the month were Les Waggoner, Bud Schiber, Joe Moffitt, Diana Thebado, Mel Spurlin, Evelyn Thompson, Vee Reid, and Harry D Scott. Mr Chang of the kitchen staff was also included. Steve Pahs was going to lead us in the Birthday Song but suffered sudden voice failure so yours truly had to step in.

Response to Bob Cherry's "Honey Let's Have a Talk" has been excellent. If you do not have your copy you can get it at the meeting or send us a legal envelope with 2 stamps on it.

Bill and Peggy Seiler's son was killed in a drive-by shooting in March. He was also grandson of Stan and Joyce Wood of Arizona. A collection was taken up for a Memorial Donation from the Gang. The Gang received a very nice card from the Seilers.

Don Zdunczyk writes their home is just about back together in Holmsted FL. Don thanks us for the help and prayers during their trouble. Col Bates was visiting his sister there and talked to him by phone.

Sick Call: Pat Young was in Fitz for tests, Bob Frecka had his left foot amputated 19 Mar in St Anthonys.

Rio Lucas has now settled in Hemet CA.

The Club (Camana) is having their golf tournament 25 April. Contact Jane or Frank.

Lake Williams is now open for fishing. See Pass & Id For your \$10.00 permit.

Daylight savings ends Sat 3 April so don't forget to leap ahead on clocks.

Next meeting is Tuesday 6 April, same time, same place as always.

# OTHER SIDE OF THE MOUNTAIN GANG

364-1373

April 1993

96 people signed in for our April luncheon.

First timers were Harold Jackson (Greeley), Jim Carter (Naples Idaho), Dick Bennett, Richard Geesen and Kenneth Millsap.

I forgot to write down who got the free lunch tickets, I'll try to do better.

Birthdays were Ernie Nold (ask him about Proof of the Pudding), George Durkop, Jim Denner, Ed Villano, Henry Martin, Bob Herbst, Pat & Helen McCabe, Bob Polski and John Candelaria. Our song master was Jim Vitale.

In looking through the sign-in sheet you will notice that Gen Joe did not sign in. That's because he was granted a pass so he could take care of some personal stuff Gen Joe says he is doing fine and to say howdy to all.

Bob Frecka is home again after his hospital stay. Stan Morrison is having by-pass surgery at Fitz 26 April. Ted Van Deest called just before leaving for the northwest and the funeral of his brother.

Gen Whitney spoke to us about what is happening at Buckley this year. Construction has been planned and some already started. They are requesting historical designation for Building 25 and the club.

The new 140th TAC Hospital will be dedicated during May drill, the second weekend.

The Lake is open for membership fishing and area use. Contact Security Pass and ID section.

Start making your plans for the 13th of July. Our annual Barbe que will be then due to 4th of July holiday. We have to know ahead how many steaks to buy Sign up sheets will be available both May and June meetings.

You really should ask Ernie what song was played at his birthday party, I do know it was NOT Happy Birthday!!!!

The May meeting is 4 May 93 at the same time and place..Hope to see you all.

May 1993

After Jim Deyo remembered to sign in we had 90 people out for the May lunch.

It was Ladies Day for free lunch tickets--Jeanie Gill and Vee Reid got them.

Birthdays for May were Bob & Lorene Reposa--his on meeting day!--Matt Flick, Flo Wilhelm, Jim Deyo, Walt Reither and Helen Nold. The Birthday song was led by Col. Sal Villano, good job Col., Come back soon.

Sick Call--Stan Morrison is at home and doing well. Our Bad News list is long for a month. Warren Fetters passed on, he was a tech in Maintenance in the 60's and 70's. Bob Valois Base Operations Tech died of a heart attack. Karl Lawrence died of a cerebral hemorrhage and we will all miss him when we see his empty place again.

Mail Call---Hal and Jane DeMooy write they are holding up and are checked on by Vern Marshall and Don Allen. Hal ends with this message--"Give regards to all the troops." Art Deberard says HI to everyone also. Both latters had Mail donations. Talked to Jim Fisher on the phone. He's OK and wishes everyone well.

General Felix Sparks (Commander Army Guard Ret.) is personally involved in a program "PUNCH"--Parents United-No Children with Hand Guns. is asking us all to join with him. His Grandson, Lee J Pumroy was killed by a child with a gun. There is no obligation but I do enclose an application if you are interested.

July is our 3rd annual barbeque so next next meeting we have to know who is going to come. So sign up at the luncheon or call or write to me. July 13th is the date- 10:30 the time and the Club Patio the place. Boss cooks are Jim Deyo and his fine crew.

Our Apple based computer left this world suddenly so we had to get a new one. It is IBM compatible so it's learn it all over again. While Marie was inputting the mailing list & records we found some names we have not seen nor heard from in over a year--some over even longer. You know who you are so if you want to keep on getting this newsletter you have to send us some postage money, if we hear nothing we will drop you from the list. Fair enough. Any who attend the meetings, sign in and get credit for the Poor Basket when it goes around.

Marie and Steve--our son-- have been working on a new logo..this letterhead is close to what they want and they will have the new one very soon.

Next meeting is 1 June at the Club. Same time, same old faces and hopefully a new one or two. Note the date---no delay after the holiday--club schedule change.

June 1993

June meeting attendance was down a bit, 65 people signed in.

Bob Cherry and Joe Hallack were the free loaders, I mean lunches.

Quite a few birthdays, Steve Pahs, Burford Quinn, Duane Knuter, Joe Hallack. Al Barnes led the Birthday song. Many happy returns.

Sick Call---Bill Knipprath is now home after a bad session at Fitz with heart and Lungs. Some of you may remember Dr Bill Hayett Dentist who passed away this month. Victor Candelaria, brother of John & Dan also passed away.

The Lawrence family sent a lovely note of thanks to the Gang for their caring for Karl and saying how much our meetings meant to him.

I ran into Ralph Easley at the Fitz BX the other day. He looks very good even in his wheelchair. He does tire easily and asked me to tell everybody Hello. He hopes to make one of the meetings soon.

Maynard Campbell called from Texas a bit ago. He had just gotten out of the hospital after heart surgery. It was touch and go for a while. Now he is at home he would love cards and letters from us all. Address is Maynard Campbell Sr. 307 Spring Branch Lufkin TX 75901.

Other contacts were from George Green, Gordon Terroux, Joe Ashby, Charley Kent, Lowell Leigh, Clarence Reimann, Maxine Pilcher, Chuck Johnson, John Kottal and Frank Dunn. All say howdy and made donations for postage & supplies.

13 July is the big Steak Barbeque by Jim Deyo and the crew at the Club. Come early, stay late and enjoy good food with good friends. Be sure to say Hello to Frank & Lois Dunn, who are coming in from Las Vegas.

See you all there,

SPike

July 1993

The Barbeque was a smash, just ask any of the 86 people there!!!!

Frank & Lois Dunn came in from Vegas and enjoyed it with us all.

Birthdays were - Bill Haggerty, Don Wood, Al Barnes, Duke Holdorf. Bill Williams, Bill Skinner and Spike Boyle.

Bill Deyo and his crew deserve a great big thank you for the work they did.

So folks, there is the extent of notes Spike made. Of course he's off working for FEMA. He had been on alert for over a week before the wheels in DC finally got their act together and authorized the monies for aid. Then when they did he was called at 2:00 pm Monday to leave at 9:15 am Tuesday. Hectic--always. He went to South Dakota where things have dried out enough to be able to see that there was a house, farm or whatever there. His next spot will be in North Dakota and who knows where and who knows when he will get home.

As you know my computer died and I had to get another one. Boy has that been a mess. Our son Steve has spent countless hours trying to debug a miserable program and finally has a system going we can work with.

I want to thank Cal Gochenour who has agreed to take this for reproduction - without him there would have been no letter this month. I drive so little anymore I don't have the courage to wander far afield. Cal is also going to help me stuff, seal and stamp.

I have no knowlegde of any sick notes and I honestly don't think there are any. It will sure be nice if it is so.

Unless there is a dire need ( or voulunteer ) the meeting will be only what is necessary...who gets a birthday cake and who might be a first timer. Oh yes there will be the free lunch people too. I'm sure most of you are aware we have no freebies on the Barbeque.

Meeting day is Tuesday 3 August same time & same place and just a nice social time at that.

# Other Side of the Mountain Gang

AUGUST 1993

The August meeting had 77 people present without me! I will give a big Thanks to Marie for keeping this going for me while I was up in the Dakotas.

Free Lunch went to Charley Heddies and Roy Ash, lucky guys.

Birthdays were Tom Linam, Frank the Bartender, McClain, Clarence Douglas and Betty Buck. Rio Lucas led the birthday song for those who admitted to having a birthday but not to the age.

Sick notes: Sue Andrews, in one of her most graceful moves, fell and really bashed up her ankle. It is now held together with paper clips and toothpicks and chewing gum. Another month should see her up and around.

Letters came from Marvin Schiesler, Wynn Coomer, Leon Harmon, Barbara Ball, Jack Speer, Arch Fox and Bob Cherry.

Leon Harmon now lives in Port Angeles WA.

J Spear writes he is better after health problems Dec & Jan. Has lost 48 lbs and would love to have visitors in New Castle CA.

Bob Cherry writes: Tape now available of the Minute Men has film clips by North American and excerpts from the last five shows, filmed by M O Etter, about 35 minutes. Copies available for \$15.00 from Bob Cherry at 782 9381. Bob will not be at the Sept meeting but will attend Oct.

Buckley will be closed the day after Labor Day so our Sept meeting will be 14 Sep.

See you there - same time, same place.
