

January 1994

The January meeting had 80 people attending.

First-timers were Dale Duran, John Gouwar, Keith Hansen.

Birthdays: Sue Andrews, Marie Boyle, Jerry Pawley, ~~KXXXXXXXXXXXX~~, Jan Axton, Bob Huffman, Hal Brewer, Bob Pepola, Jerry Flick. Sorry there were not enough Birthday cakes. Song leader was Keith Hansen. Free lunch tickets went to Lee Bruce and Lloyd Richards.

Our sad news is that Danny Chamberlain died 11 Jan. Dora wrote us he had the flu then pneumonia and was in the hospital when he had his fatal heart attack.

Now I can be me, Marie. Spike went to Las Vegas on the 14th and came home the 17th. It was EANGUS Mid-Winter. He was still enroute when FEMA called so he changed bags and off he went again. He is in Hollywood for his DAC and I got a call from a friend telling me of seeing him on T-V clearing people out on Fridays Fast series of quakes. How long he will be there only FEMA knows and they don't know either!

Retirees are being attacked again (so what's new?) DoD Comptrollers Program Budget Decision No 419 is a proposal to increase the 5% surcharge effective Oct 94 for Retirees ONLY!!! In 3 years of increases we would have to pay the eventual rate of 16.4%!!! Why? Com was not one of the retirement programs planned for Retirees and besides they get new jobs when they get out and don't need it. Well Between the COLA cuts and now this and Medical reductions in benefits why don't they just give all us old goats a final Benefit....shoot us dead. To express your views on this please WRITE to:

Mr John Hamre

Pentagon Rm 3E822
Washington DC 20301-1100

Oh Gee, I almost missed these notes ;
Clem Hoffman in LaHabre came through the quake OK az did Les Waggoneer's son who lives nearby.

Next meeting is 1 Feb 94 in the same place and at the same time. One thing you can count on is a very brief meeting, right? See you then.

February 1994

I'm B A A A C K !!

February Lunch had 80 people present. I was in the Hollywood part of L A , a very shakey place.

Free Lunch went to Jim Deyo and Bob Polski.

Birthdays were Paul Moya, Jan the Club Manager and Nancy the cook. The song was led by the joyful voice of Tom Linam.

Sick....Some of the old brown shoe folks may remember Keith Buckbee, he passed away in Jan 1994. His wife Dorothy Died in 1992. He was with the 140th in the late 40's.

Tuck Mestepey was in the hospital for a short time being readjusted. He's back home now.

I attended a meeting of the TREAAux last week to hear their guest speaker on the subject of Champus, Medicare and supplimental ins. I feel this is a most important matter for all of us. If you would be intrested I can try to make arrangements for him to come and speak to us. Since this is not our norma l procedure we could close the meeting and let those who wish leave then can stay to hear what he has and for questions and answers. He is an Air Force E-8 and spends all his time informing different groups around the country.

For the Air Force Retirees...Note the letter you received from Defense Finance and Accting Service Cleveland Center. Keep in mind for your pension questions you now must call 1 800 321 1080. This is a real people not a voice messaging line. For FAX it is 1 800 469 6559 .

March meeting is on 1 March, same time, same place, some new faces and some old as well.

See you there.

April 1994

Only 50 people attended our last meeting, is it something I said?

First timers John Smithson, Vern Hauberst and Herbert Lettery.

Free Lunch just one, Warren Hohnstine.

Birthdays John Candelaria, Pat and Helen McCabe, Henry Martin, Bob Herbst and Ernie Nold. The birthday song was led by first-timer John Smithson.

Marie and Red Knuter have big grins, they have a new Grand daughter.

Sick Call Eldon Klusman had surgery.

Now the bad news - Roger and Barbara have been in Florida where they suffered the loss of their newborn Grandson.

Tuck Mestepey lost his battle with cancer and is now at rest.

We also say good-bye to Les Waggoner, one of the founders of this group and always one of the first ones at the meeting suffered a heart attack in his home.

Most of our people will or did receive a letter and questionnaire on a new program at Fitz called Gateway to Care. I attended a briefing on this and I think it is going to be a great program. I strongly urge you to fill it out and return it to Fitz. The enclosed pamphlet is good but does not tell it all. I do not have enough enclosures for all so I am sending them only in the immediate area, if you use military facilities elsewhere your hospital will keep you informed.. If you would like I can invite the people from Fitz to come in June and talk with those who wish after the meeting is over...those who wish to stay.

KRMA TV Chanel Six is doing a documentary on aviators along the Rockies. They are looking for photos and home movies taken during the 20's 30's and 40's. If you can help contact Trux Simmons phone 620 5609 or write th TV station 1089 Bannock St Denver.

Our annual BBQ will be 12 July. I have invited BG J Sutherland Parker to be my guest and also co-Chairman of the Retiree Council at Fitz BG R D Cardillo. As of now we have more than 30 signed up so if you are going to attend be sure you sign up too.

The May meeting will be on the 5th, come and enjoy good friends.

106 people signed in at our 3rd Annual BBQ Lunch.

Birthdays were Mel Mylander, Don Wood, Al Barnes, Duke Holdorf, Remedie Martin and Yours Truly. The song leader once again was John Smithson Army NG.

Since this was the cook-out there was no free lunch.

Sick Call--Jim Hileg is now in a nursing home on Leetsdale Dr because of a stroke and other problems. His wife was recently released from the hospital with serious medical problems.

I would like to thank the fabulous cooks that did our steaks and burgers. The club cook bought and marinated them, then Jim Deyo, Bob Herbst and Bobby Bond cooked them. The cooks are suffering red knuckles and hot tummies for the work. Thanks a lot guys, you made the day a success.

After lunch our guest Gen Parker, CG of Fitz, spoke briefly to us about the Gateway to Care program and answered a lot of our questions. Thank you Sir for coming to keep us up to date, come anytime you wish.

Note from Marie: I used the program first week and it is great, oh there are bugs to be worked out like in any new anything, but it is really working!!!!

Mail Call -- Ed McClannahan wrote (with PB donation) and promises to come to a meeting from Loveland.

Ron & Kay Silvrants wrote to say Hello to all and sent PB donation as well.

Next time you see Ken or Jan Smith ask to see their pictures...they are restoring OLD cars. The latest is a school bus from the 20,s.

Other Side of the Mountain Gang

August 1994

89 people signed in for the August meeting. Nice turn-out.

Free lunch went to Flo Wilhem, Flo & Gregg came all the way from Battlement Mesa. The second lunch went to Bob Talbot.

We had several First-timers and Visitors. Gordon Terroux brought his daughter as a guest. First -timers were Kay Kooncz, Betty Pannell (Metcalf) Tom Supperenant and Charles Rogers.

Birthdays were Betty Buck, Bartender Franf, Clarence Douglas, M Martinez, Furman McClain, Bob Snyder, Jack Willhite and last but not least Tom Linam and the State of Colorado.

Sick Call: Eldon Klusman had surgery in July and is recovering at home. Wayne Carlton is now in Holly Heights Nursing Home, 6000 E Cliff -757 5441 if you need to call. Mavis Dilley is in Sable Care Center on Dillon Way, that is at 4th AV and Sable.

I have been asked to mention how important it is that everyone 65 and older have Medicare Part B. That is the part that helps pay doctors and testing etc. Without it you could be in big trouble paying hospital bills the new Health Care programs don't always cover. If you do not have it call your SS office or me at 364 1373.

On the sign in sheet you will see some numbers after the sig. Those are the years of government service for each person. Rather an eye-opener don't you think? A fast run through (while watching TV, Sike came up with a total of 2,272 +. that is what was -present at just one Luncheon. Can you imagine what the total would be for all who belong to the Gang? Presently 325 is our total membership. Also the wives had no numbers to put down BUT we served the same as you guys. You got to see neat new places while we were left at home trying to keep everything going alone.

Marie and I will be taking an Inside Passage Cruise of Alaska starting Labor day. We will be back in the late evening of the 12th, so no cookies in Sept. Sorry guys. This is the first time in ten years we have been able to vacation. A big event for Marie.

The meeting is Tues 13th Sept at Camana Club as usual. Come on an join us.

Other Side of the Mountain Gang

September 1994

The Sep lunch had 65 people present.

First timer was HERB Shelton (Army Guard)

Jean Schlager and Chuck Weiger won the free lunches for the day.

We only had one birthday, Bea Van Deest.

Mail call was only one letter, Don lovisone wrote to tell us of his new address in Mc Pherson KS and a donation for the poor basket.

Retiree Recognition Day will be at Fitz in late Oct or early Nov. If you are on the Fitz computer they will mail you the info.

Future of Fitz is looking good at this point however there is no guarantee. COLA raises are still an old sad story.

We all need to write our elected officials and to committe chairpersons to express our feelings on allretiree and veteran affairs. If we do not we will be the losers. The more letters the more our chances to keep our benefits.

Marie and I had a wonderful time on our inside passage cruise to Alaska. Ten days after we returned we had to leave for Long Island for the very formal wedding of James Gouwar...John's son. We got there the same time as a Nor-easter ...perfect timing as usual.

Flu season will soon be upon us so be sure to get your flu shots when you can.

Next meeting will be 4 Oct 1994 at Camana Club, same time and maybe some new faces.

Always

Did You Get Your Service Medals?

In 1982, PARADE ran a story informing men and women who served in the military that they may be entitled to medals they didn't know about. Within just six weeks, 120,000 veterans—six times the annual average—had written to the National Personnel Records Center for their medals. In the decade since, many vets have had their lives brightened by unexpected citations. Among them is John H. Hubbell, 68, of Rockville, Md.

An internationally known physicist who retired from the National Institute of Standards & Technology in 1988, Hubbell served in the Army in Europe during World War II, for a time under General Patton. After reading our article, he wrote to the Records Center. Two years later—four decades after the war—Hubbell was surprised to receive a Bronze Star. "My colleagues are more impressed by this than by any of my other professional

recognitions," says Hubbell.

Those who never got their medals still may request them—as may the next of kin of a deceased veteran. Simply send the vet's full name, service number, branch of military, dates of service and signature (or that of next of kin). Be specific, if possible, about the medals you are requesting.

• Air Force and Army Air Corps veterans should write to: National Personnel Records Center (Military Personnel Records), 9700 Page Ave., St. Louis, Mo. 63132-5100.

• Navy, Marine and Coast Guard veterans should write to: Navy Liaison Office, National Personnel Records Center (Military Personnel Records), 9700 Page Ave., St. Louis, Mo. 63132-5100.

• Army veterans should write to: Army Reserve Personnel Center (DARP-VSE-A), 9700 Page Ave., St. Louis, Mo. 63132-5200.

And please be patient. It may take a year or more.

Other Side of the Mountain Gang

Dec 94 314-1373

Seventy-eight people signed in for our December meeting, last one of 1994.

First -timers were Bud Wingert and Catherine Steal, the mother of Dianna Thebado.

John Candelaria and Bob Minnehan received the free lunch tickets.

Birthdays, Bob Reposa, Tom Oliver, Marie Knuter, Bob Knapp, Al Barnes, Jim Burghardt, Ben Perry and Lois Hoops. The Birthday Song Leader was Catherine Steal. My thanks go to Jerry Pawley for passing out the birthday cakes. Marie had a Drs. appointment and was not able to attend our meeting.

As has become our custom, Dec. is the month for all the Ladies to bring their Christmas special treats.

As usual our table runneth over with all things good and tasty.

The Christmas gift certificate was won by Tom Linam.

SICK CALL: Bill Haggerty free-loaded a week at Fitz.

Helen McCabe had foot surgery and Warren Hohnstein broke his foot.. Shirley Talbot spent Christmas in the hospital with surgery. The week before Christmas was hectic for us as our son Steve, was in ICU at Aurora Pres. for tests that showed not heart but thyroid problems, thank god.

Mel Spurlin passed on 16 Dec and was buried with full honors at Ft Logan. A loss to all of us.

LTC Munger from Fitz was a guest and speaker. He talked to us about the future of our medical care, it is not all roses but it does look good. Better than the rumors that have been flying around lately.

This letter is earley to beat the postal rate increase, so please note, meeting for Jan. is on the 10th!!!

See you then, on the 10th, please, Same old place, same old time.
