

OTHER SIDE OF THE MOUNTAIN GANG JANUARY 2004
JOE BROOM 2142 SOUTH HARLAN STREET, DENVER CO 80227-3621 303-984-1072

We received a nice letter from Clarence Riemann thanking us for the card and photos which brought back memories. He's been in rehabilitation for bone deteriorated at the new outpatient clinic at Fitzsimons. "It's too bad about the old club building. No more Perry Jefferson room or Merle Travis bar. Those items I'm sure are gone forever. I just hope the memories will always be there. Miss reading about Jim Deyo in OSOMG notes. Alzheimer's can be fast or slow and no known cure. The WWII gang is getting smaller as the days go by and it seems they are going faster. If we're not careful we will all get speeding tickets thus everyone of the gang give it a lot of thought. Slow down, enjoy life and especially the holidays." With his comments in mind the COANG Heritage Committee, CAMANA Club Board of Governors, and representatives of the branches of military have removed and safely stored the artifacts/memorabilia including the Merle Travis plaque from the building.

VALENTINE POTLUCK: Sonja and I will prepare the barbecued chicken. Others will bring a side dish or desert. Valentines for veterans in VA Hospitals was started to remember veterans. Our group has been doing this for several years. Pick up a valentine and bring it to the meeting. We will also have some available on the tables for you to sign to thank veterans for their service to our country. We will deliver them with the donated quilts, etc. to the VA Hospital. Thanks to Gladys Ford for the recent donation of lap robes.

COOKIE/CUPCAKE SCHEDULE: We have Jim Jesser for cookies in April and Betty Buck for cupcakes in June.

CHECKS: Lately I have been receiving checks made out to me to cover the cost of postage, envelopes, etc. Please make checks to OSOMG. They will be deposited in the group's checking account at the ENT Federal Credit Union.

CALLING COMMITTEE: Twenty-five members signed up to be notified of a death/important information and help call others. We need to finalize the list. If you haven't signed up and want to be on the list let us know.

CARDS/LETTERS: Greetings from Johnnie & Margaret Adams, Angie Balkenbush, Jack Darvaeu, Jim Evans, Bill & Peggy Seiler, and Darlene Williams.

MEDICARE: Military retirees who didn't take Part B at age 65 will be able to enroll in 2004 without any penalty. You must enroll before end of year 2004. Steps to take weren't spelled out. Contact Social Security, your Senator or Congress Person, or TriCare For Life (TLC) office. You must have Medicare Part B to enroll in TLC. Note: I was told that parking across from the main entrance for TLC office in old main hospital at Fitzsimons is \$20. Parking is available for \$1 behind the building and then ask the TLC office for a parking permit (future visits no charge) in the \$1 lot.

BIRTHDAYS: Joe Ashby, Jan Axton, Harold Brewer, Ralph Evans, Cheryl Harnke, Dan Harnke, Edward Hill, Chuck Hoffman, Bob Huffman, Marie Linam, Onika McCash, Elevi Medina, Gerrie Pawley, Bill Peoples, Debbi Popovich, Leon Rittenhouse, Eva Shreeve, Jim Thigpen, and Bob Zepp.

SICK CALL: No new information.

TAPS: William (Bill) Williams had a stroke in October and passed away November 14th. Helen Keltch passed away, no details.

MEETING SCHEDULE: We have been able to sign up through May and the dates are Feb 3, Mar 2, Apr 6, and May 4.

Many thanks were expressed for the signed valentine cards, cookies, candy, lap blankets, and bags for wheelchairs/walkers. It was the right day to deliver the items to the VA Hospital. AF Academy show stoppers were performing for the veterans and visitors. Jonathan Wilde and Kelly Ford (KYGO Radio) brought smiles to veterans, giving out valentines by the handful. My picture was taken with them. Sonja thought I may have snuggled up to close to Kelly Ford, but an old guy has to do what he has to do to keep the old heart going. While I receive the personal thanks/appreciation I'm there on behalf of the group and those who have made this a success for several years. It feels good to see a veteran's appreciation and know that you helped someone.

GUNSMOKE SHOWDOWN 2004: Fun day at the Wings Over The Rockies Museum and interesting to hear the strategies of how Col. Don Neary and Lt. Col. Bob Beabout would Dogfight each other. It was exciting for the adults, but most impressive was seeing the smiling faces of children while they sat in the cockpit. The two pilots talked about the aircraft and how they flew them. They made a lot children happy including eight boys from my church Royal Ranger youth program who thanked me over and over for inviting them. Their Senior Commander also enjoyed the day. I got to show them the COANG Heritage Room. They were impressed with all the exhibits and want to return.

The news today (Monday, 24 May) once again showed COANG troops answering the call for another deployment to IRAQ. It reminded me of the Viet Nam deployment. Processing lines, loading of cargo and troops, and finally the F100s taking off on their long journey. Many thoughts and feelings were expressed that day by the deploying troops and their families. Today once again many thoughts and feelings were expressed by deploying troops and their families. We wish them God's speed and let's keep them in our thoughts and prayers.

LOCATION CHANGE IN MAY: Was very successful. The Air Force Community Center welcomed us, had tables and chairs set-up, and were responsive to our needs. They had popcorn in bowls and pop, beer, and wine were available. Some asked if we could meet there again, so we passed around a sheet and the majority voted to meet there in June. The center and its parking lot is located across the street east from the CAMANA Club.

EXPENSES: Summer is coming and the money to buy envelopes and stamps drops off. If it has been some time since you mailed a check or contributed at the meeting, your contribution would be greatly appreciated.

ANG FACILITIES BUS TOUR: Thank you to Lt. Griggs and CMSGT Mandonado for a excellent tour of COANG facilities, many comments were expressed on how enjoyable the tour was and maybe some future tours could be arranged to visit various areas.

FIRST TIMERS: Joe Harnke's wife found out where he's been going the 1st Tuesday of each month and now is able to attend our group meetings with him. Welcome to Kay Harnke

COOKIE/CUPCAKE SCHEDULE: Betty Buck signed up for cupcakes in June.

CARDS/LETTERS: Greetings from Cliff Wagner. His letter mentioned that Armed Forces Network TV (AFN-TV) was doing a day in history in place of commercials as a public service announcement on 3 May, featuring the 120th Ftr Sq as the first ANG Fighter Unit to arrive in Viet Nam. In the background was a photo of an F100 with the COANG logo. They talked about their heroic performance and the fact that the 120th flew its first combat sorties within 2 days of arrival in Viet Nam. It was broadcast throughout the day and evening on AFN-Europe, AFN-Pacific, and AFN-Korea channels. Cliff felt that the fact AFN is still recognizing the COANG performance in Viet Nam is noteworthy and maybe of an interest to the Viet Nam Vets in the group.

BIRTHDAYS: Janet Bowens, Dudley Butler, Matt Fleck, Bob Goetz, Clem Hoffman, Harrel Lambert, Marty Martinez, Jerry Navarette, Helen Nold, Lloyd Richards, Lorene Reposa, Robert Reposa, Arlo Sorheim, Flo Wilhelm, and Ann Zepp.

SICK CALL: No new news.

TAPS: Leon Cleaver, (Welding Shop), passed away the 19th of May from a heart attack. He was living in Springdale, AR.

MEETING SCHEDULE: June 1st at the Air Force Community Center. Mark your calendar, July 6th is steak barbecue (pctluck). Call or sign-up at June meeting for a steak. More details will be in June newsletter.

JOE BROOM 2142 S HARLAN ST, DENVER CO 80227-3621, 303-984-1072

I'm not sure who travels the greatest distance to our meetings. I would like to recognize Remedios Martin, who is a faithful supporter of our group, who maybe travels the longest distance each month. She doesn't drive and lives near Green Mountain area/foothills. She takes the bus (several transfers) out to Aurora Mall and then finds a way to get to the base. Over the years several members have picked her up. After the meeting she repeats the process. Lots of miles and RTD should give her some earned frequent travel miles. Currently her niece, Jacqueline Aynami, is picking her up. Remedios is always bubbly and loves to attend the meetings. Take a moment and say hi to her and her niece.

COMMITTEE MEMBERS: Don Neary 303-695-8940, Bill & Jan Axton 303-755-0257, Wally & Betty Buck 303-344-1319, Joe & Sonja Broom 303-936-7724, and Dewey & Gloria Hicks, 303-695-8423.

ANNUAL STEAK BARBECUE: July 6th, steak barbecue/potluck in the pavilion area behind the Community Center. We will need a count for the number of steaks to order by June 28th. Call and let Joe Broom know how many steaks you need. Members are asked to bring something for the potluck (homemade or store bought) and have a good time. The Community Center has beverages available for purchase (beer, wine, and soda). Coffee and iced tea will be available as usual.

COOKIE/CUPCAKE SCHEDULE: Thanks to Betty Buck for cupcakes.

OTHER SIDE OF THE MOUNTAIN GANG JULY 2004
JOE BROOM 2142 S HARLAN ST, DENVER CO 80227-3621, 303-984-1072

Thank you to Don Neary, Dewey Hicks, SSgt Anita DeHerrera, Paul (Tiger) Wyers, and others who pitched in to help. We didn't get the names of everyone. The steaks were wonderful, the pot luck was delightful, and the company was superb. Can you tell we had a wonderful meeting. Thanks to all that brought food.

SEPTEMBER MEETING: we are going to have a fun time with nostalgia. I recall the night the troops were coming home from Turkey and I was on duty that night to off load cargo/baggage and welcome them back. It was the night of the final episode of The Fugitive on TV, and I had watched just about every episode and was sure I would never see the ending. I was fortunate that the aircraft arrival times allowed me the opportunity to watch the show on the PAX Terminal TV. Each of us have a significant remembrance or piece of memorabilia to share with others. Old photos of weddings, baby pictures, graduations, old military pictures or artifacts, etc will be displayed. We hope to have a couple of surprises, some of you may just want to wear your dancing shoes.

WHAT DO OUR RETIREES DO IN THEIR SPARE TIME: Mike and Betty Lopez both volunteer for the AARP Income Tax program that does free tax returns for seniors. Betty also volunteers for the Optimist Club in programs that help underprivileged children. Mike is a volunteer at the VA Hospital. How did they ever have time to work?

COMMITTEE MEMBERS: Don Neary 303-695-8940, Bill & Jan Axton 303-755-0257, Wally & Betty Buck 303-344-1319, Joe & Sonja Broom 303-936-7724, and Dewey & Gloria Hicks, 303-695-8423.

CUPCAKE SCHEDULE: AUG-Shirley Talbot, SEP-Betty Buck, OCT-DEC open.

BIRTHDAYS: Al Barnes, Carolyn Capone, Ken Costello, Randy Dolan, Cathy Forrest, Ken Forrest, George Franzen, Joe Harnke, Glen Keltch, David Knipparth, Marvin McCash, Remedios Martin, Roberta (Bobbie) Terroux, Walter R. Winters

CARDS/LETTERS: Greetings from Moe & Jeannine Etter, Paul Hannon, John & Sherri Martin, Richard Thomas, Ken Valis, and Bob & Ann Zepp.

TAPS: Jim Prentiss and Ed Villano.

FREE YARN: Sonja has some extra yarn for anyone who needs some for knitting or crocheting for charity or your own use.

OTHER SIDE OF THE MOUNTAIN GANG AUGUST 2004
JOE BROOM 2142 S HARLAN ST, DENVER CO 80227-3621, 303-984-1072

General Edwards gave an update on the Wing activities, upcoming deployments, and an invitation for retirees to attend Family Day on September 12th. The day will also include a Welcome Home for the troops who have returned from Iraq. He also mentioned that the bar area of the CAMANA Club may become a part of a new Community Center on base. AF and Air Guard Civil Engineering have determined that they can build around the bar and provide a community center that will also have a food area available.

NOSTALGIA FUN TIME: We will keep the business part short in our September meeting to have fun sharing our past memories with each other. All of us have an old photo or item, military, or civilian from the past. Bring an old military photo, wedding, graduation, or baby picture and let us guess who is in the picture. Please place your name on your items so we can return them to you in case something gets left behind. We will have a surprise or two and some may want to wear their dancing shoes. If it has been some time since you came out this will be a good time to come and enjoy the memories.

COMMITTEE MEMBERS: Don & Neysa Neary 303-695-8940, Bill & Jan Axton 303-755-0257, Betty Buck 303-344-1319, Joe & Sonja Broom 303-936-7724, and Dewey & Gloria Hicks, 303-695-8423.

FIRST TIMER: Bob O'Haire who served during the Korean War era.

WHAT RETIREES DO: Herman & Peggy Klap volunteer through their church and help re-build homes in disaster areas. Heard she swings a mean hammer. Bob Talbot was Commander of Heather Ridge VFW. He and Shirley visit and serve coffee to the veterans at State Veterans Nursing Home. They also volunteer and teach classes on the American Flag and Constitution in elementary schools.

COOKIE/CUPCAKE SCHEDULE: Thanks to Sonja Broom for cupcakes.

CARDS/LETTERS: Greetings from Ed & Margaret Brown, Larry Catlin, Don & Marlene Chambers, Frank & Lois Dunn, Robert & Patty Harkins, Gordon & Bobbie Terroux, and Doris Schroeder.

BIRTHDAYS: Betty Buck, Jim Coleman, Clarence Douglas, Larry Engel, Teresa Garrison, Paula Green, Myrt Herbst, Tom Linam, Don McClain, Ernie Roybal, Bob Snyder, Roy Sutton, Jackie Tobias, Doug Teasdale, Mel Wilkey, and Marie Zielinskie

SICK CALL: No new information from others, however, I have to mention myself or Sonja will do it for me. I went in to schedule a routine 5 year colonoscopy and while going over medical history they found the top part of my heart out of rhythm. I went in a wheelchair to Swedish Hospital Emergency Room and spent 3 days in the hospital. I went through several tests and there was no heart attack or blockages. I was diagnosed with Atrial Fibrillation and will have some lifestyle changes to make.

TAPS: Wally Buck passed away at home from cancer.

MEETING SCHEDULE: Sep 7, Oct 5, Nov 2, and Dec 7.

Sonja and I were unable to attend the September meeting. She got pneumonia and was ill for a little over three weeks. She's on the mend and getting her strength back. Many thanks to Dewey Hicks for taking over and running the meeting. We've been told he did a superb job even though he tries to tell me otherwise. The Southwest Denver YMCA will honor military veterans on Nov 11th, Veterans Day. They have a bulletin board with some old military photographs, letters and a telegram from the Secretary of War, dated, 27 July 1944, to a Mother that reads: "The Secretary of War desires me to express his deep regret that your son Private John J. Valley has been reported missing in action since 7 July in Italy. If further details or information are received you will be promptly notified. The Adjunct General." Sonja and I looked but there was no further information. We felt sad that possibly he never was found and no information was recovered to let the mother know what happen to her son.

JOE BROOM 2142 S HARLAN ST, DENVER CO 80227-3621, 303-984-1072

Our last meeting was fun. I was able to bring out some of the nostalgic items I have and played some old songs on 78RPM records from the 1930's and 40's. Dewey had a quiz on what some military acronyms meant. General Edwards and Colonel Buckingham stopped by and gave us an update on Wing activities and a special invitation to visit and be a part of the Wing's Christmas Party on the Sunday UTA. There may also be that old familiar sight of an aircraft (F16) with a red nose. The last two months of each year are always special as we remember on Veteran's Day, then a time to reflect and be thankful, followed with a time of joy and giving. During the holiday season let's not forget those who have served, lost a loved one, and those in harms way in our prayers.

POTLUCK AND COOKIE EXCHANGE: We always have a great time at our December meetings. We meet in the AF Community Center, 400 N Beaver Creek Street on base (across the street from the CAMANA Club Building). See map on back. The Community Center has domestic (\$2.00) and imported beer (\$2.50), Wine (\$2.00), and soda and bottled water for 50 cents. Sonja and I will prepare the turkey, dressing, and gravy. Others will bring their favorite dishes. We are also working to get a few items to give out as prizes. If you know of any organization that would donate an item, bring it out and we'll add it to the items we already have.

COMMITTEE MEMBERS: Don & Neysa Neary 303-695-8940, Bill & Jan Axton 303-755-0257, Betty Buck 303-344-1319, Joe & Sonja Broom 303-936-7724, and Dewey & Gloria Hicks, 303-695-8423.

Hannon, Marie Knuter, Betty Lopez, Joe Lozano, Diana McGraw, Stan Miles, Maxine Miller, Tom Oliver, Eddie Shreeve, Keith Smith, Tom Supernaut, B.B. Talbot, Linda Turner, Betty Valiant, and Phyllis J. SICK CALL: Paul Grant is scheduled for prostate cancer surgery on 21 Dec. Talked with Pat McCabe and he's doing good after his by-pass surgery and may be able to attend our next meeting.

TAPS: Maynard Campbell, former Munitions Area Supervisor passed away Nov 15th.

MEETING SCHEDULE: The Dec 7th meeting is our annual potluck and cookie exchange.

We had a fun time at our meeting. Lots of food and with all the donations everyone went home with a prize. General Edwards stopped by and gave us an update on Wing activities and the CAMANA Club. Speaking of Generals and Christmas reminds me of the classic movie White Christmas and how a bunch of troops got together to help a retired General save his ski resort. Its been awhile since we've seen our retired Generals. Maybe we need to pull some secret tactics to get them out.

POTLUCK: We had 66 present and with all the delicious food I'm sure nobody went away hungry. Many thanks to those who helped with getting everything organized and the clean-up afterwards. Andy & Sue Andrews, Bill & Jan Axton, Don & Neysa Neary, Betty Buck, and Dewey & Gloria Hicks. There were others who stepped in to help and I didn't get all the their names. Thanks for making everything a success.

SPECIAL APPRECIATION: to Dewey Hicks for his help this past year. Due to health problems I've had this year Dewey stepped in on short notice and ran some of our meetings. He also maintains and provides a list to the Visitor Center each month with the names of those who are not authorized to have a base decal. He has on numerous occasions gone out to the base and made sure various things were in place for our meetings. He also does a special rendition of Happy Birthday at our meetings. His help has made our past year a success.

BIRTHDAYS: Chris Barnes, Janice Engel, Danny Fouts, Dewey Hicks, Lois Hoops, Marie Knuter, Delores Lakers, Don Neary, Mike Popovich, Diana Richards, Elosie Roybal, and Dennis T. Simpson
