Since I took over for Spike Boyle there have been some cold days, but this was the first time for a snow day. Roads were snowpacked in Southwest Denver and improved some as we got to the Aurora area. The base snow number is 720-847-7669. Sixteen hearty members showed up and had a good time talking with each other. Gen Edwards and Col Buckingham came by and had some interesting comments and gave us an update on the 140th Wing activities. If the weather stays nice, work should start on the CAMANA Club building by the end of January.

The February 2005 AFTERBURNER states on page 3 – Social Security Administration (SSA) continues to work Medicare Part B penalty waivers. **Recommend you read the article in the AFTERBURNER for complete details.** Retirees eligible for Tricare for Life (TFL) except for not being enrolled in Medicare Part B, still have an opportunity to enroll in Medicare Part B. If you are one who was missed and not provided Part B coverage and therefore not eligible for TFL you should either visit your local SSA office or call 1-800-772-1213 to discuss enrolling in Part B to become eligible for TFL. One thing not mentioned in the article is that when you enroll in Medicare Part B, you have to take your Medicare card to the nearest military ID facility to update your DEERS records and get a new ID card to get coverage under TFL.

The night before the President came to speak on Social Security I was working on taxes, looked up and recognized this guy being interviewed on Channel 7 News. They were almost through with the interview when I heard the President was going to recognize him for his volunteer services in helping keep Denver beautiful. The next day I watched the President arrival at Buckley and after shaking hands with the Generals and Colonels he walked over and shook hands with Harold Brewer, talked for a moment and then they headed over to the Wings Over Rockies Museum for the President talk on Social Security. I called Harold and he's going to try to come out to our next meeting and tell us about meeting the President.

General Edwards recognized Harold Brewer, SMSgt, Retired, for being selected to receive the Presidential Citizens Volunteer Services Award. Harold talked about meeting the President and the President's comment about his nice white cowboy hat. Harold didn't tell him it was a LBJ hat. Harold, who's 72, has been involved with community clean-up projects, eliminating graffiti, and keeping Denver beautiful for many years. He was instrumental in the recruitment and supervision of volunteers, ensuring the projects were completed. I don't always have enough space in the newsletter and have to leave out something worth mentioning. The COANG Air Heritage Committee and OSOMG members would like to recognize and thank all the active Air Guard personnel who supported and attended our Heritage celebration at Wings Over Rockies Museum in May. I can't list all the individuals names, however, you are a part of COANG continuing heritage and our future OSOMG members.

NOW WHO WOULD HAVE TOLD ME THIS STORY?: Old Clem up in them thar hills sent his son Zeke off to college. Old Clem was proud and tellin' all them fellers gathered around the pot belly stove at the country store about Zeke gettin' one of them thar 4 year degrees. When Zeke returned, Clem took him to the country store and was a tellin' them fellers about Zeke's 4 year degree. One of the fellers said let Zeke give us some of that thar college talk. Old Clem stacked Zeke and said what did they teach you, folks know pie R square and circle R squared.

Nice turnout for July meeting and lots of good food. It was good seeing some who don't regularly get out to all the meetings. Thank you to the AF Community Center personnel who helped get things set up. They stayed with us until everything was ready to go. Also thank you to the members who helped set up/clean up after the meeting. Gen Edwards stopped in to say hello and briefed us on the Wing and base closures. Buckley should be ok, however, the Defense Finance and Accounting Center and Air Reserve Personnel Center at the old Lowry AFB site most likely will be closed. I've been summoned for jury duty and won't be able to attend the August 2nd meeting and Sonja will be in Miami with her daughter, Sherri. Some how this doesn't seem fair. Come out and support Dewey Hicks, who will do an excellent job of running the meeting.

We had a fine time at our last meeting. If it's been awhile or you have never been to a meeting come out and enjoy the fellowship. Colonel Buckingham came by with greetings from General Edwards and an update on the Wing activities. Coming event will be an Air Show at Buckley AFB with the Air Force Thunderbirds & Colorado Air National Guard Pilots on Aug 6, 2006. SMSgt Jan Love announced that she will be retiring and will become a member of our group.

The Denver Combined Federal Campaign (CFC) is contacting Federal Government Retiree Groups to let them know about the following pilot program. Rather than having them speak at our meeting the committee elected to address this through the newsletter. In the wake of Hurricanes Katrina and Rita, the Denver Combined Federal Campaign (CFC) became the only campaign in the U.S. to obtain approval from OPM to conduct a pilot program to solicit military and federal retirees. Arrangements to have a certain amount taken out each month from one's checking account and sent to designated charities can be found at the CFC website www.cfcmetrodenver.org by clicking on the "retiree" link near the top of the page. A listing of Katrina relief agencies and all other charities assisted by CFC are also available there. While there, please be sure to also check out the many discounts available under the GiveSmart card and Federal Employee Appreciation links. For more details contact Scott Shirai Executive Director Denver Metro Combined Federal Campaign 2505 18th St Denver, CO 80211-3939, phone 303-561-2389, FAX 303-561 2381.

With Veteran's Day coming, I thought the following story adapted from a cartoon might be of interest. As a father and his 6-year old son were waiting for the Veteran's Day Parade to start. The boy asked his father, why is there a parade today? The father answered, this is a special day to recognize all who have served in the Armed Forces. The son asked will there be lots of horses and clowns? The father said yes son but, this is a special parade that honors our veterans as the son said here they come. The Parade Marshall passed by followed by some elderly men marching in their various military uniforms they had worn many years ago. It was obvious they were doing their best to stay in step, but yet you could recognize a little glitch in their hips. The son asked who are they and the father replied they are WWII veterans. The son asked, why are there so few of them? The father explained that WW II happened many years ago and a lot of the Veterans have passed away. "Oh" said the son. After a brief moment came another question. When all the WWII guys have died, will there still be a parade? The father said yes son there will always be a Veteran's Day Parade so that Veterans of all wars won't be forgotten. The father realized another question was coming and said let's enjoy the parade. When we get home, I will tell you about the Veterans of all wars who fought to defend and preserve our freedoms. Better yet, maybe I should write it down so that you can read and explain it to your children someday.

SPECIAL REQUEST: Photos of Senior Enlisted Advisors Milton Lilja and Harrel Lambert in their uniforms are needed to complete the Senior Enlisted Advisors COANG Historical Museum display. POC is Don Neary, 303-695-8940

GROUP LOGO: Woody Glaser is working on a logo that will be a representation of who and what our group represents. He showed us an example at our last meeting and those who saw it thought it was excellent.

GROUP FUNDS: Thank you to those who faithfully contribute at the meetings or send a check for the cost of envelopes, stamps, etc. each year. If it has been over a year or you have never contributed toward expenses, your contribution would be greatly appreciated. I don't like to ask this, but we do have costs related to putting out the newsletter.

GREETINGS FROM: Ralph & Ileen Bernhardt, Bill & Margaret McGaffin, John & Carol Paul, Ralph & Charlotte Rausch, and Vee Reid.

BIRTHDAYS: Jerry Brooks, Vito Capone, Nancy Glaser, William Glenn, George Haag, Mert Herbst, Ken Krumpelmann, Victor Hoops, Elly Hoffman, Dephine Jordan, Deanna Kirkpatrick, Herman Klap, Carol Paul, Patricia Quinn, Steven Spahr, and Judy Winters

SICK CALL: Bill Axton is home and doing well and says thanks for all the cards and will see you at next meeting. Vee Reid had her 3rd hip replacement Sept 20, is doing well, and has a goal to be at the Dec meeting.

TAPS: Jerry Flick's daughter, Lisa, expressed her gratitude for cards and attendance at her Mother's memorial service. Don (Woody) Wood from the Motor Pool passed away Oct 24. Steve Flanagan's father, James F. Flanagan, Air Guardsman who served during the Korean call up passed away Aug 30.

MEETING DATES/TIME: Nov 1, Dec 6 (Pot Luck Party, and the cookie exchange). Meetings are held in the AF Community Center, at 11:a.m., 400 N. Beaver Creek, Buckley AFB. This is across the street (east) from the CAMANA Club Building.

The newsletter is early this month. I have other programs to arrange as well as the Dec 6 potluck. Sonja and I will prepare the turkey, gravy, and dressing. We need to know how many of you are coming by Nov 28th to help us know how much food we have to prepare. Other members will bring one of their favorite side dishes or dessert. The members present at the November meeting voted not do the cookie exchange. Last year there wasn't much participation in the exchange and the potluck provided lots of desserts. If you don't cook that much give me a call and I can suggest an item for you to bring. If it's been awhile since you've been to a meeting, December is a wonderful time to come.

140th WING NEWS: BG Mike Edwards mentioned that 120FS competed in and won the Tiger Meet event including the aircraft paint job with stripes. The Wing will be inspected by the 12th Air Force. We wish them the best and know they will shine. COANG Personnel are still in the South doing a fabulous job helping and bringing hope to people affected by Katrina. They were told on their arrival it would take some time to get set-up and operating due to a lack of electricity and poor sanitary conditions. This did not deter them. They were set-up and giving out meals on their first day. The base will have an Air Show Aug 6, 2006, which in addition to the 120FS should include the AF Thunderbirds, and other demonstrations and displays.

BUCKLEY AFB LEGAL OFFICE: Bob McSciver, Retirees Activities Office (RAO), mentioned the Legal Office is open to retirees on a walk-in basis from 2 to 4 P.M. on Friday, Nov 18, 2005.

HIGH FRONTIER DINING FACILITY: Bob McSciver, RAO, checked and the Air Force will continue the opportunity for retirees and dependents to eat the evening meal (5 P.M.) and Midnight chow at the dining facility through January 31, 2006. Sonja and I been there several times and we both had dinner for less than \$7.00. I told her she was a cheap date, but she told me I still had to pay for the gas to get her there. This is an opportunity to get together with some of the other retirees and enjoy the evening, or maybe go out mid afternoon pick up medicine at the AF Pharmacy, shop at the Commissary/BX, and then have dinner at the dining facility. For Thanksgiving and Christmas, retirees and family can join the troops not home with family for dinner from 10:30 A.M. to 1:00 P.M.

GROUP LOGO: Woody Glaser is working on a logo that will be a representation of who and what our group represents.

GREETINGS FROM: Don & Ruth Allen, Delmore & Betty May Englen, Richard Fisher, Matt & Annette Fleck, Reed Lutz, Leonard & Jane Marshall, Robert & Tamara Miller, Angie Minnehan, Lawrence & Nancy Smith, Barbra Solberg, Willie Watkins, and MG Mason & Miriam Whitney.

SICK CALL: Matt Fleck is having eye sight problems and not driving. His wife Annette had hip surgery a month ago and is doing well. Bob Huffman had foot surgery for a bone spur is doing better, and plans on being out to next meeting.

TAPS: Elevi Medina, weekend retiree from supply with whom I shared a room during the 1968 call-up passed away Oct 28, 2005.

MEETING DATES/TIME: Dec 6 (Pot Luck Party, with lots of good food). Meetings are held in the AF Community Center, 400 N. Beaver Creek, Buckley AFB at 11:00 a.m. This is across the street (east) from the old CAMANA Club Building.

OTHER SIDE OF THE MOUNTAIN GANG DECEMBER 2005

JOE BROOM 2142 SO HARLAN ST

DENVER CO 80227-3621 303-984-1072

We had a good time at our meeting. Lots of good food, prizes and being with friends. This was a good start for the holiday celebrations. As this year comes to an end, remember our military and keep them in your prayers for a safe return. Christmas has passed, but I would like to tell about a six year boy who answered a knock at the door. When he opened the door it was his father who had returned home from the war. He didn't ask, Daddy what did you bring me? He threw his arms around his father's neck and said, "Oh, Daddy, this is the best Christmas present I've ever had"!

RETIREMENT CEREMONY: SMSgt Jan Love will retire and be honored at the Retreat ceremony 7 Jan 06 at 1600 followed by a retirement party at 1700 in the ANG Dining Facility (BLDG 706). Catering by Bennetts Bar-B-Que sliced pork or beef \$15.00 per person. RSVP/Payment by 30 Dec 05. Call CMSgt Quinn 720-847-9428 or SMSgt Waibel 720-847-9799. Mail payment to 140CF/SCM MS#74, 18865 E Breckenridge Ave Buckley AFB, CO 80011 Attn: CMSgt Quinn.

SICK CALL: Jan Axton suffered a stroke and is recovering in the Spaulding Rehabilitation Center at 900 Potomac. She goes through rehabilitation each day. She would appreciate receiving cards and letters. Mail them to the home address at 11130 E. Welsey Ave, Aurora, CO 80014-1741. Bill will take them to her. Shirley Leiker will be having knee surgery in February.

TAPS: Since the latter part of November, four members have passed away. Glen Keltch, a Navy Veteran, came to the meetings with his wife, Helen, prior to her death. George Durkop's wife, Millie, called to say he passed away from cancer and to honor his request no services were conducted. Charles Jackson from Supply passed away from cancer. Several attended his memorial service and the remembrance expressed by family and friends reminded me of why he was a good man and supervisor. Tom Linam (code name Milton Kersmac) passed away from cancer. Tom was a good man and Guardsman and most old timers could tell a story or two about him. There are many things that he helped with, always thinking of what's best for the troops. The clown at Christmas parties, helping the children to see Santa Claus, or setting up and welcoming troops home from active duty/deployments. He also was instrumental in the organization of our retirees group and possibly was the first President. He will be remembered for who he was and his legacy as a Colorado Air National Guardsman.
