## Committee's Corner

Dear Other Siders,

The 16<sup>th</sup> annual Veterans Salute put on by the City of Aurora was another success. The event took place on November 10, 2010. It was held at the Wings Over the Rockies Air & Space Museum. Over 850 guests attended, including 150 WWII veterans. It took 25 planners under the leadership of Sheila Anthony from the Aurora Center for Active Adults, City of Aurora Parks, Recreation and Open Space, eleven months to bring the project to fruition. One hundred and thirty volunteers served, included Jan Teasdale, Violet Hoffman, a host of others from the Center for Active

Adults, as well as Starbucks associates and military personnel. Rick Crandall of KEZW was the MC and Brigadier General Hudson was the keynote speaker. MSG Rochelle Smith worked tirelessly to bring the event to life with her knowledge of the audio-visual side of the planning. Local television and media services were on hand to record the "Salute" and gather pictures and histories from our Greatest Generation guests.

AFJROTC CO-21<sup>st</sup> cadets provided the precision drill, while others from the Squadron assisted with a variety of assignments. The Squadron includes cadets from Central and Hinkley High School. Cadets from AFJROTC

And you are correct; I'm climbing the walls for something to do. Angela is definitely ready for me to return to work. Please thank those that send e-mails and words of encouragement.

We appreciate your concerns and prayers; keep the prayers coming.

(Released 29 December 2010, by the State of Colorado)

In response to recent news reports, the Colorado Department of Human Services has confirmed that the State Veterans Home at Rifle is not at risk of closure. Several media outlets around the state had reported that the veterans home could be forced to close because of financial losses. "The Department has no intention - now or in the future - of closing the State Veterans Home at Rifle," said Colorado Department of Human Services Executive Director Karen L. Beye. "The Rifle home has had some financial losses and administrative challenges over the past two years, but major changes have been made in the home's operations, resulting in a profit of more than \$165,000 for the first four months of this fiscal year."
