Howdy Duty Time

It has been 17 years since I last served as a member of the Colorado Air National Guard. I retired in 1991 as SEA for the Air Guard. At this time of my life, I have had time to reflect on my life experiences, accomplishments and failures. My one true love has been and always will be my association with the men and women of the Colorado Air National Guard. I live outside the South Gate of Buckley and every time those jets fly by, the hair on the back of my neck tingles with pride, knowing that at one time I was part of an organization that took pride in accomplishing the mission.

It boggles the mind when you think about all the squadrons and support services needed to support and accomplish the goals of the Wing. All these separate entities working, planning and coordinating are paramount. When our pilots strap into their aircraft, they know that everything humanly possible has been done to insure their personal effects have been taken care of, everything from a good meal, personal affairs, equipment, maintenance, weapons, and ground personnel.

compish their goal, and when they return our sense of pride knowing that in some small but meaningful way we all contributed to the overall success of the mission.

The men and woman of the Colorado Air National Guard are a unique group of individuals who strive for perfection in their field of expertise and I can say with pride that I was a member of Colorado Air National Guard.

As they fly off on their mission our prayers and thoughts are with them, knowing that whatever the target, they will ac-

Committee's Corner

(Each month, we will include a few words from a Committee Member, in this section.)

Committee Members: Jan Love, Bill & Joan Pickens, Paul Turner, D.O. & Neysa Neary, Dewey Hicks, and Yolanda Leggett.

The committee met at Jan's home on Monday, 18 Feb 2008. Some of my notes from the meeting are as follows:

We will have a drawing each meeting with/for the group and give away a "Sort of Gift" for just being present - WHAT A DEAL!

We talked about a "Howdy Duty Time" that would provide insight on "one of us" and what we are doing etc so we know— Before your memorial service!!! This is what Bob Flick used to do on Sunday drill

weekend to honor those who serve & recognize their efforts for the unit. (See Eddie O'Connor's letter to the committee and you'll get the idea here!

We ask Yolanda Leggett to join the committee. She is going to talk to the group in March about VA Benefits.

Paul Turner is going to put the Colorado Pride books out on the website for us.

This was a 3 1/2 hour meeting but I've tried to condense it so you don't get too bored - I know - - -

As Ever,
D.O.

Let us hear from you — Thanks
