Howdy Duty Time

I joined the Air Force in September 1963, then attended Basic training and Technical School at Lackland AFB, Texas. My first duty assignment was at Yokota AB, Japan as an Air Policeman. My brother and I were stationed there, together, for 21 months. I was later stationed in Thailand and Spain. I was discharged January 1968 and reenlisted on the day that Martin Luther King, Jr. was killed. I went to Lowry AFB for training and from May 1970 to 1971, I was station at Phang Rhang AB, Vietnam (not knowing that the Colorado ANG had been there prior). I got out of the Air Force in February 1977 as a Staff Sergeant. I joined the COANG in May 1977 and was assigned to the Dining Hall. I have a lot of fond memories of the Dining Hall. I made TSgt that year and the only way to advance in grade was to move out of the Squadron. I served as the First Sergeant for the 140th Combat Support Squadron from 1984 to 1986. From 1986 to 1988, I then was the first Services Technician (AGR) for the base.

I was hired in Clothing Issue Section, in Base Supply, under MSgt Anita Bright. My next position; I applied for and was hired as the Operations Support Branch Supervisor, under LtCol Ed McClanahan. I was promoted to SMSgt and retired from the Air National Guard in July 1993.

The Colorado Air National Guard was a big part of my life. It gave me the opportunity for promotion and travel. During my career I traveled to many places including Turkey, Germany, Italy, Wisconsin, Mississippi, Louisiana and Florida. There were a lot of people who helped me during my journey and I would like to give a big shout out to MSgt Joyce Copeland (Johnson) and Col Mike Rowan for all their help.

The former Janet James and I have been married for 40 years. We have two children and two grandchildren.

Artemis (Art) Bowens, SMSgt (Retired)

Committee's Corner

Well, it's that time again. Time for the National Guard Association of Colorado (NGACO) annual state conference. I would like to take this opportunity to invite all Other Side of the Mountain Guard members, all retirees both Army and Air and any other military retirees who would like to attend. The theme this year is "A Wild West Weekend!" It will be held at the Park Hyatt Beaver Creek Resort and Spa. April 24-26, 2009. In addition to guest speakers, there will be a casino night, silent auction, door prizes, country music & dancing, Colorado Heritage Reenactors, golf tournament, and more. We have listened to the NGACO membership and we plan to hold a conference that meets or exceeds expectations.

As retirees, we have a voice at the NGACO. Our input goes to assist not only other retirees, but those who still serve in the active area of the Colorado National Guard. Deb Wray, CMSgt (Ret), from the Association addressed the group at the March meeting, stressing the importance of Retiree participation.

Please see me if you have questions or suggestions.

WING PROJECTS

Deb Eyre (wife of BG Eyre, 140th Wing Commander), attended the January meeting to give us updates for the projects. She explained that even though most of the work (except for Adopt-A- Family), will start after the ORI, you can still sign up by contacting us (OSOTMG) either by phone or e-mail.

Adopt-A-Family

Pre-deployment briefing held 11 January for 140th Security Police Squadron, who are deploying soon. Dale Bristol represented the Other Siders (as I was down with the crud). The main area of responsibility will be during the upcoming overseas deployment, with families matched up and introduced in the coming months. One of the main advantages to Adopt-a-Family is your willingness to share experience and knowledge. Families of current members will receive great benefits when they have someone who has "been there, done that". Retirees and their families can truly understand and empathized with their situation. Volunteers are needed!

Wing History Office and Colorado Pride 3

Starting in mid February, MSgt Rochelle Smith will begin working in the Wing History Office. MSgt Smith, formerly assigned to the OPS Life Support Shop is currently assigned militarily to the Wing Visual Information Section (we used to know this office as Audio Visual or Photo Lab). Rochelle is tasked to update the files and records from the past ten years. She will also be the full-time contact for Colorado Pride "3". She needs volunteer help in both areas; you may leave her a message at 720.847.6948.

Wing Dining Facility Committee

Brig Gen Eyre would like to expand the "heritage" of the COANG, to the walls of the Dining Facility in Bldg 730. With the help of the Wing Visual Information Section (formally called Audio/Visual or the Photo Lab), we would like to display memorable moments in COANG history, centered on the theme of "Colorado Firsts". This project has been temporarily put on hold until after the ORI (May).

LITTLE KNOWN VETERAN'S BENEFIT

You may know someone that needs this information. For spouses of deceased veterans also.

A Benefit for veterans who serve during conflict.

BY PAULA BURKES - Published: February 8, 2009

<http://newsok.com/little-known-benefit-aids-veterans-of-wars/article/3344150>

There is a **little-known veterans' benefit** for long-term-care expenses is available to wartime veterans and their spouses. But the benefit is being overlooked by thousands of families.

<http://www.msnbc.msn.com/id/21134540/vp/17303445#17303445>

The Special Pension for Veterans' Aid and Attendance pays up to \$1,644 a month, \$19,736 annually, toward assisted living, nursing homes or in-home care for veterans 65 and older who served at least 90 days and one day during wartime - stateside or overseas. Veterans and their spouses can receive up to \$23,396 annually and spouses of deceased veterans, \$12,681.

Yet, an estimated \$22 billion a year goes unclaimed and only 134,000 seniors nationwide received the benefit, which was established in 1952. Hundreds of thousands don't even know about it due to incomplete information, many disqualify themselves on income or assets or find the paperwork too burdensome.

There is help (<http://veteranaid.org/apply.php>) for families to streamline the process and complete the necessary forms, so that approval comes in four to six months. The process is for vets who have memory issues or are blind and widows with medical needs.

Most applicants qualify and payments are retroactive.

The few who are denied on excessive liquid assets can seek financial advice to qualify.

It is regrettable that our government does not do more to disseminate critical information regarding benefits and pensions to those who have proudly served our country and are entitled by their sacrifice and service, so I ask that you please share this information with everyone you know who may be able to benefit.
