Committee's Corner

Dear Other Siders,
Here we are again. The summer has gone too fast. During this months meeting, I threatened anyone who mentioned the "C" word (Christmas). We had a small but very vocal group this month. Everyone was busy visiting with each other! I had to call them to eat at least 3 times!

Change of subject. We need your help here. Since I took the reins, our copying services for the newsletter are no long free and the cost of postage has increased. Having the web site decreases our mailing monthly costs, but we have to pay for the web space and registered our domain name "OSOTMG.org". To save cost we fold, seal, apply address labels and stamps. Our monthly expenses run between \$200 - \$225. Our donations ("poor box" and received in the mail) for the months of July and August were \$77. Needless to say, without your donations, we can't continue to send out a monthly newsletter and sympathy or get well cards to our members.

I truly understand a majority of us are on a fixed income. I know there are Other Siders who have computers at home, but have not sent us an e-mail address or updates when they change internet providers. We (the Committee) need your help. OSOTMG,

16059 E. Milan Drive, Aurora, CO 80013

Thank you for all of your support!
Jan Love

Sick Call

Bill Seiler - had surgery for colon cancer on 29 July. As of 11 August, he is at home recovering. The docs are 99% sure they got all of the cancer, but they are waiting for the final pathology. He has a challenging road ahead of him. His surgery was life changing. Hold good thoughts!

Arlis Guerrero - will be undergoing major surgery to remove her stomach, on 20 August. There is no cancer, but the polyps could become malignant if not taken care of now. She will be in the hospital for approximately two weeks. I will send updates as I get them. Arlis has an optimistic attitude even though her surgery is also "life changing".

Ralph Evans & Larry Sell - were both hospitalized for over a week, in the last month. They are still recovering but managed to attend the August meeting. They both looked pretty good (as good as possible) and were a little sassy. I'm glad I'm not in the nursing profession!

Matt Wray - was diagnosed with prostate cancer in April, underwent radiation treatments and is doing well now, just waiting for the follow-up with the Dr.

For me, it seems than some of us have hit that time in life when health becomes "the" issue. It can be very difficult but with support of friends and family we can overcome most of life's difficulties.

AUGUST Birthdays

Dear Other Siders,
We listed the July birthdays in the June newsletter. If we did not mention your name in the "Birthday List", it is because we don't have your "birth month" information. If you would like to be mentioned, please contact me, by phone, mail or e-mail and I will get your information entered into our Data Base.

Happy Birthday to All!
Jan
