

A small group of the members met on 4 Sep 2012 for the OSOMG meeting. Joe Broom conducted the meeting and there were a variety of interesting topics including the leadership, how to increase attendance, and the group's future. Committee members Dewey Hicks, Paul Turner, and Don Neary were present and will have a committee meeting to address the issues presented. They should have an update for everyone at the next meeting, 11 a.m., Tuesday, 2 October 2012. Bring a sack lunch and enjoy visiting with friends. The meeting should start at 11:45 a.m. Your attendance is important. Come out and support the committee.

The Aurora Veterans Salute is Thursday, 1 Nov, 2012, at the Wings Over the Rockies Museum, Hanger 1 at the old Lowry Complex. For those who signed up to attend, if you have questions, please call Don Neary, 303 695 8940. He needs your check by 24 Sep 2012. He has reserved your seat(s) and your attention to this matter will be greatly appreciated.

Dewey Hicks asked the members if they were interested in pictures or information about the various aircraft the COANG have flown. It was mentioned that maybe it could be accomplished in a calendar format.

Dewey will continue to see what can be done. He believes that we can sell enough calendars to turn a profit for us.

Daniel Gay spoke about and had a handout on the symptoms of a heart attack or stroke. This was highly informative and a follow up from the August meeting. He emphasized that you call **911** because the ambulance has top priority over those who walk into an emergency room. Medical assistance is important within 3 hours or less to prevent serious damage. For a heart attack, go to <http://www.va.gov/cardiology> for symptoms and instructions. For a stroke go to www.Aging-No-More.com.

Daniel also talked about internal fraud or crime and he had a pamphlet from the FBI on recognizing and not becoming an internet crime victim. For information and a test on your online practices, visit or go to www.LooksTooGoodToBeTrue.com. To report an online crime visit: www.IC3.gov. Time is of essence to catch these individuals.

Birthdays: We didn't have a current roster of birthdays but Bill Neuens was the only one there with a birthday. Dewey, as usual, made sure everyone was in tune for the birthday song.

Taps: None were reported.

Sick Call: Neysa Neary is now at the Sunrise Cherry Creek Nursing Home at Alameda and Colorado Blvd. Don mentioned she is adapting and doing well. Sonja Broom went for skin cancer surgery on her face. We got up at 5:30 a.m. and headed out to the surgery center near Revere Street and Arapahoe Road. They took her in and the surgeon stated that the two places were shallow and gave her a prescription that should clear it up in 10 weeks. The surgeon said she would be happy to cut if Sonja wanted the surgery. Guess what – Sonja took off.

We had 16 people in attendance and collected \$40.00 in the poor box. Money was counted by Joe Broom and witnessed by Dewey Hicks and

Paul Turner. Paul deposited the money into our account at the credit union.

Remember our next meeting is **2 Oct 2012**

It's a good day when the volume on the TV doesn't make the water in your glass vibrate.
