The meeting was opened with the Pledge of Allegiance to the Flag of The United States of America by Paul Turner. Joe said the invocation.

First timer, Bonnie Rought was introduced.

The Veteran's Salute on November 4th celebrating WWII veterans will host those veterans at no cost. Our group has WWII Veterans- Sy Harjes, Kenneth Forrest and Ken McGill.

Joyce Saitta briefed us that the next NACO conference will be the last weekend in April 2016 at Omni Interlocken and will include a Military Ball. She is just back from the National EANGUS conference in Indianapolis with an attendance of 1200 folks. Next year the National Conference will be in New Orleans, Louisiana. Debbie is Retiring from the NACO Colorado Office and this office needs a person to take over this paid position. This office will probably be relocated to the Revere Street building. The NGAUS conference will be in Nashville, Tennessee.

Sick Call- Pete Triolo, Matt Ray and Frank Mullins.

Birthdays present- Bonnie Rought and Dannie Heinz.

Jan briefed us on the need to have folks from our group volunteer as leaders for our OSOTMG group so as to not tax the current volunteers. Golden Sherman and Mona Burkett volunteered to help with interfacing with the COANG units' retiring members at Buckley.

Jan then requested that we approve the purchase of new ANG pins with a startup cost of \$295 for the mold and \$250 for the first 100 pins. These will be sold to folks for around \$10 a piece. The group approved the expenditure from OSOTMG funds.

The next meeting will be October 6th.

HOWDY DUTY BY JOE BROOM

Colonel Philip Packer, Commander of the 140th Aircraft Maintenance Squadron in 1955, gave me this story.

The Colorado Air National Guard got a call for some airlift support for a baby in Montrose, Colorado. She was born early and needed some help with a health issue. They were told that there would be somebody at the community airport with the baby. She was in need of incubation and was put on the COANG "Goony Bird"(C-47) to get her to Children's Hospital in Denver. When the aircraft got to Montrose, they found the airport had a very small shack for building. They landed and taxied over to this shack and realized that nobody was there. They shut down the aircraft and waited an hour or so.

While they were waiting, they spotted a pickup truck bouncing across the field. It pulled up next to the airplane and a guy with a cowboy hat and boots got out of the truck with the baby in his arms. He was the local Doctor. They got the baby on board the aircraft and used an incubator to stabilize her.

They landed at Buckley and transported the baby to Children's Hospital in Denver without any problems.

Sometime later he met the teenage girl and she was doing great.

The COANG have included many transport aircraft including the C-54, C-131, T-43 and the C-47 noted in this story.

This is one of many stories of how the COANG has assisted the Colorado Community when other means of help were not available.

COANG C- 47 FLINTSTONE I

P.S. If you have a story about the Guard, something that happened at Buckley, something that happened on road, or a deployment, send it to us for this newsletter. Also, we welcome stories when you join the Guard and stories about different things that happened to you while in the service.
